2018 Corrugated Classic Golf Tournament

Corrugated Week and the Corrugated Golf Classic offer an unmatched opportunity to network with the most influential corrugated professionals in the world. The 2018 Corrugated Classic Golf Tournament will be held on Monday, September 24, 2018, at Brickyard Crossing Golf Course in Indianapolis, IN. Deadline for registration is August 27, 2018.

The Golf Classic individual fee is \$180 and includes greens fees, range balls, lunch, post golf goodies, and cart and bag service. A foursome can play for \$800.

Dallara Indycar Factory Gala

For over 40 years, Dallara Automobili, an Italian company, has been in the business of designing, building and supporting some of the world's most competitive racecars and high performance road cars. The Dallara IndyCar Factory is a joint venture between the IndyCar Experience and Dallara Automobili and offers visitors the chance to explore 23,000 square feet of interactive and hands-on exhibits centered around the engineering and technology of the world's fastest sport!

On Tuesday night, buses will take exhibitors and attendees to an all-inclusive Gala at the famous Dallara IndyCar Factory. Enjoy food and beverages while you wander through the facility or relax with friends and colleagues in comfortable seating areas. Throughout the night, there will be options to drive in a race simulator to experience the real feel of being behind the wheel or test your skills at the Pit-Stop Challenge where you compete for the fastest time. Attendees also have the option to have a keepsake photo taken with an IndyCar.

Additional Course Offerings

Flexo and Rotary Diecutters Calibration Workshop (Sustain Board Caliper and Printing Capabilities)

Sunday, September 23, 9:00 am – 5:00 pm

Monday, September 24, 9:00 am – 5:00 pm

Indiana Convention Center, Indianapolis, IN

Are you looking to identify and address downtime issues? Do you need to develop a better understanding of machine calibration and how to maintain proper board caliper during the converting process? If you answered yes to either of these questions then this is the workshop for you.

Industry veteran and founder of On Target Consultants, Dick Target, has trained box plant crews in 33 countries, developed effective printing technology and continues to assist companies in meeting business demands through effective manufacturing techniques, machine utilization, and management training.

Separate registration is required for the course but it does include access to the Corrugated Week Exhibit Hall.

Course and exhibit only - \$500

Course and exhibit + full conference - \$1650

An In-depth Look into the Bonding Process Variables for the Corrugator and Identifying Defects

Monday, September 24, 9:00 am – 2:00 pm

Indiana Convention Center, Indianapolis, IN

This course will provide corrugated industry professionals the opportunity to increase their knowledge of the corrugated bonding process, including factors and variables that impact bond performance. Attendees will learn how to determine proper heat settings, dealing with various board grades, running mismatched, lightweight and coated liners (Kemi) and understanding defects.

This full-day course, taught by Jon Porter, is dedicated to the corrugated bonding process and will be especially beneficial to Corrugator Supervisors, Operators, Maintenance and Quality.

Separate registration is required for the course but it does include access to the Corrugated Week Exhibit Hall.

Course and exhibit only - \$300

Course and exhibit + full conference - \$1450

Productive Machine Measurement: Benchmarking & Buy-in Training Course

Monday, September 24, 1:00 pm - 5:00 pm

Tuesday, September 25 8:00 am - 12:00 pm

Indiana Convention Center, Indianapolis, IN

Practical tools to improve productivity and reduce employee turnover! Welcome to the War Room where productive team members understand their jobs, know how to measure their work, and work together to improve every day. In this course you'll practice using tools in the War Room and on the Corrugated Week show floor.

Course and exhibit only - \$695

Course and exhibit + full conference - \$995
